VOCATIONAL INSTITUTE

"Come Reach the skies with us"

About DPMI

DPMI Vocational Institute, popularly known as DPMI, works under the aegis of PMTS of India & is registered in Delhi under SR Act 1860, Section XXI. The Institute has successfully completed 26 years in the field of imparting skill based technical education to the youth. The core intent of DPMI is to promote Paramedical Health Education, Hotel Management, Catering Technology, Tourism sectors in our country. It aims at providing quality education with advanced programs encouraging the students to think in a creative manner and eventually creates a pool of well-trained professionals.

Mission & Vision

To provide career-oriented quality education & training in various streams of professional disciplines in a stimulating environment of independent thinking and innovation to create multi-skilled professionals with careers in technical professions. Establishing an opportunity hub with industry-academia for research, knowledge exchange and technology transfer, generating and enabling infrastructure for borderless learning. From a modest beginning to a scintillating streak of success, DPMI has come a long way in it's journey of evolution as an educational institution of distinction. We provide the right academic and professional platform where you can acquire the elusive spirit of leadership and entrepreneurship.
